Dear Members,

It is a great honor and privilege to welcome you to the 2015-16 year of the Bristol County Estate Planning Council. I am truly looking forward to another year and excited for what the Board has in store for the membership. I hope to continue the tradition of excellence exemplified by my predecessors and by our Board of Directors, without whom the many accomplishments of the Council would simply not be possible. I thank them for their continued support throughout my presidency.

Serving a second term as your President is a wonderful opportunity to continue the momentum we have built upon this past year. As such, I hope to continue to focus my presidency on one of Council's foundational missions – the “Team” approach. As I have said before, each Council member presents with a unique set of skills and knowledge that benefit the Council as a whole. In the face of a challenging professional environment, we hope to further enhance our memberships' collective knowledge in the area of estate planning. To accomplish this, we encourage members, new as well as seasoned, to share their views, experience or expertise with the Council as a whole at one of our several networking events this year. In addition, we hope to continue to offer interesting educational topics that will help our members in their practices.

As president, I commit to continue to provide the leadership the Council requires in order to continue to cultivate this team approach. I commit to listen and respond to your needs as members and work very closely with our BCEPC Board. As always, remember, myself and your Board, we are here to help make this another successful year for us all.

Lastly, enclosed please find your membership renewal application, sponsorship form and accompanying invoice. Kindly complete your application and return it with your payment by the first meeting – September 17 2015. I look forward to seeing you at future meetings!

Respectfully,

Brandon C. Walecka, Esq., LL.M.
2015/2016 President
