Invites You to the April Dinner Meeting

Family Mission Statements *Transferring "Values" as Well as Value*

Elder Law attorneys generally have a unique

Presented by
**Matthew
Bresette, JD**
Partner
Nutter McClennen
& Fish LLP

Join your fellow senior planning and care professionals as Mr. Bresette discusses the importance of a mission statement or values statement as part of a good estate plan.

The "Family Mission Statement" is Judeo-Christian ethical concept going back a couple of thousand years. He will be explaining and expanding on that concept to encourage clients to form a mission statement coming out of either a family "strategy session" or by the individuals doing their own estate plans.
